## DOOLIN RESIGNS AS MANAGER OF PHILLIES---TRADE STILL IN AIR

Philadelphia, Oct. 27.—Charles S. Doolin has resigned as manager of the Philadelphia National league club, President Fogel has wired President Herrmann of the Cincinnati club, requesting him to waive President Herrmann's offer to trade Doolin to the Philadelphia players, and so far as Mr. Fogel is concerned, the Cincinnati-Philadelphia deal, which has caused so much turmoil in the Philadelphia club is off.

President Fogel said tonight that if what he hears is true he probably will receive Doolin's resignation tomorrow morning.

"I do not take Doolin seriously," he said. "I believe he will cool down and view the matter in the proper light. I waited in my office until late in the day, expecting a visit from him, but he did not put in an appearance. Of course I cannot take any action upon the alleged resignation until I receive it."

President Fogel looks upon the reported threat of President Herrmann to take the matter before the national commission as a joke.

Doolin states that he will not go to the office of the National league in this city to see Fogel.

"Fogel has to come and see me," he said. "Both Doolin and Fogel were present at the banquet given by the owners of the American league club to the world's champions tonight and occupied seats where their efforts were most touched, but neither appeared anxious to discuss baseball."

Fogel this afternoon telegraphed President Thomas F. Lynch of the National organization, requesting him to waive President Herrmann's offer to trade Doolin to the Cincinnati club, not to tamper with the Philadelphia players, who, Mr. Fogel says, are officially in good standing with the local management.

In a telegram to President Fogel received this morning President Herrmann asserted that title to the services of players Grant, Bates, McQuillen and Moren now rested in the Cincinnati club and President Herrmann said that he

was sending the case to the national commission.

"Mr. Herrmann's threat to take the case to the national commission is too ridiculous to talk about," said Mr. Fogel. "It is entirely a National league affair and the national commission has nothing to do with it."

President Fogel added that if Mr. Herrmann did attempt to take it to the commission, of which the Cincinnati president is the head, the Philadelphia club would take the matter to the courts.

Cincinnati, O., Oct. 27.—President August Herrmann of the Cincinnati baseball club, when informed that President Horace Fogel of the Philadelphia team had asked President Lynch of the National league to waive Mr. Herrmann "not to tamper" with the Philadelphia players, said:

"If Fogel is trying to scare anyone, he is likely to be surprised shortly, inasmuch as I have ordered my stenographers to ascertain the addresses of Grant, McQuillen, Moren and Bates, and as soon as I have them I will open up negotiations with them with a view to signing them for the season of 1911. They belong to the Cincinnati club, and I have no doubt they will play with us next season."

"I see that some mention of the national commission has been made. The national commission has nothing to do with this question. I cannot see how it could have. But I do not anticipate any fight when the facts are known, and unless some one tries to claim my players I cannot say what I would do."

## RESIGNS AS TEAM LEADER

CHARLES S. DOOLIN.

BECAUSE President Horace Fogel of the Philadelphia National league club refused to ratify a trade which had been made with the Cincinnati club, Manager Doolin of the Phillies yesterday resigned as manager. The action of Fogel also started President Garry Herrmann of the Reds on the warpath, and the National league looks to have another wordy battle between its managers fairly well started.

The trade in question sent Bates, Grant, McQuillen and Moren of the Phillies to the Reds, and Paskett, Lobert, Beebe and Rowan of the Reds to Philadelphia. Fogel thinks the Reds get much the better of the deal.

## FLETCHER CLAIMS HIS OUTLAW MAJOR LEAGUE A SURE THING

Chicago, Oct. 27.—Daniel Fletcher of Cincinnati, who came to Chicago yesterday, exhibited ninety-two signed contracts as a nucleus to a third major league.

"I have ninety-two star players signed for the new all-star league," said Fletcher, "and will be in a position in the near future to give the players assurance of sufficient capital to carry the proposition to a successful issue. Ever since the project was set in motion I have been the subject of attacks from baseball magnates in all parts of the country, but I want to state right here that the third league will be a reality and will be thrown open next spring."

For the present Fletcher is maintaining silence as regards his plans for locating a park in Chicago. He proposes to take over a piece of ground adapted to playing and to erect a new plant during the winter, in addition to Chicago he says there will be parks in New York, Pittsburgh, Boston, Cincinnati, Cleveland, Washington and either Kansas City or St. Louis.

## Cornell Football Player Dies as Result of Gridiron Injuries

ITHACA, N. Y., Oct. 27.—L. B. Paine of Duluth, Minn., acting captain of the Cornell freshmen football team, died at the Cornell infirmary tonight from supposed internal injuries received while playing football.

President Schurman tonight notified Franklin Paine, Duluth, of his son's death, extending the sympathy of the university.

Subsequently he issued a statement in regard to the case. He said the boy was injured on October 18 in a practice scrimmage, but the attending physician did not think the injury dangerous. Young Paine went to the infirmary that evening, but left the next day.

## TWO FAST BOUTS SEEN AT MOTOR CLUB SMOKER

Two lively boxing bouts featured the smoker held at the Motor club last night and pleased a crowd of more than 200 members. In the first bout Jack Downey, boxing for the first time since he hurt his knee in a bout six months ago, got the decision over his old rival Kid Frazzelle. Frazzelle hit his man all the way, but was out-pointed. Downey's more finished work earned him the decision.

Tommy Fitzgerald had his hands full with the "U" Midget, but scored several good blows in the fourth round when him the decision. Against a veteran campaigner like Fitzgerald the Midget did good work, however. Willard Bean refereed.

## BIKE STARS FOR BOSTON GRIND

Six-Day Race Starts Monday  
With Lawson, Kramer and  
Clarke for Opener.

Boston, Oct. 27.—The six-day bicycle race at the Boston arena, scheduled for October 31 to November 5, inclusive, promises to be one of the best that has ever taken place in Boston.

Alex. McLean, who is managing the affair, made a ten-strike when he secured the arena, for it is one of the finest buildings of its kind in the country today. The building has a seating capacity of about 4,500.

The riders will ride ten hours a day, starting at 1 o'clock in the afternoon and finishing at 11 o'clock in the evening. McLean expects to have twelve teams signed up inside of the next few days.

Jackie Clarke, winner of the Madison Square garden record-breaking six-day race last December, and winner of the Berlin six-day race last January, and Floyd McFarland, the hero of many hard-fought six-day races, have sent their contracts to McLean, and they will ride as the Australian-American.

Floyd Krebs, winner of the first indoor six-day race that ever took place in Boston, Norman Anderson, the Danish champion, will together ride as a team. Krebs, acting for himself and Anderson last week, mailed their contract to McLean.

Nat Butler, the veteran of the bicycle game, is to ride with young Schilling, the crack French sprinter, as his partner.

The local season will start Saturday night with a three-cornered match race between Frank Kramer, national champion; Jackie Clarke, the Australian flyer, and Iver Lawson, the noted cyclist from Salt Lake. Lawson has been showing good speed in training and has backing that he can win from the two cracks. Lawson will also ride in the six-day race, but has not selected a partner.

## HIGH SCHOOL BOY TO MAKE SPEECHES TODAY

The high school eleven held its last practice before the Ogdens game, and they seemed to be in fine shape. The boys will have about an hour's signal practice tonight. Several of the old school players will together ride on Saturday night and they seem confident that the red and black will come out of the game as the winning team on Saturday.

This morning at 9 o'clock there will be a football assembly of the entire school. The principal will be called upon to say a few words to the students, and to tell them how they intend to play.

Manager Wardman has arranged to take the entire squad up to Cummings field in automobiles.

Yesterday Coach Brusse and Coach Brown arranged for the following officials: Tabin, referee; Ellis, umpire; Field, judge; Hedges, head linesman.

## EASY MARK FOR ATTELL

"Big" Mackey of Cleveland Not in

Champion's Class  
New York, Oct. 27.—"Big" Mackey of Cleveland proved an easy mark for Abe Attell, featherweight champion in their bout here tonight. After Attell had floored the Cleveland man three times in the sixth round, the latter's seconds crawled into the ring and hauled Mackey into his corner.

The bout was to have been ten rounds, but Attell had clearly demonstrated his superiority before two rounds had progressed. He merely toyed with his opponent in the opening rounds and contained him by avoiding the latter's blows rather than trying to land himself.

In the fifth Attell started mixing it in earnest and a left jab to the face staggered Mackey. He managed by clinching to hang on until the bell rang.

A clean hard blow to the body knocked Mackey down the first time in the sixth and as he rose a right hand swung to the jaw topped him over again. He was slow in rising and as he reached his feet Abe's right caught him on the jaw again and the fight was over.

## CLASS FOOTBALL SERIES STARTS AT 'U' TODAY

The first game of the class series at the university will be played today between the juniors and seniors class on Cummings field. Both teams are in good shape and have some excellent material. The game will be called at 2:30 sharp. No admission will be charged.

## COLORADO 'U' STUDENTS PLAN BIG TIME FOR UTAH GAME

Boulder, Colo., Oct. 27.—The University of Colorado football squad, although somewhat sore from the knocks received in the game Saturday at Larimer against the University of Wyoming, went through a sharp scrimmage practice tonight while Coach Polson and Castleman sought to correct some of the errors which showed up in the first tryout.

The hard contest which is anticipated Saturday when the varsity lines up against the Utah team at Denver is causing the greatest apprehension, and unless Colorado can show up better than now seems probable it is figured by the supporters of the squad that the Mormons may carry away the sweets.

The one style of football seems to all be the order of the day and the coaches are depending more upon hitting the ball and trying the old end runs than upon any venture which might be made with the new rules. Very few trick plays have been used in practice and the game at Larimer was taken up entirely by this method of play.

The students are planning upon getting behind the team in better shape than ever before. The spirit of the entire school is at fever heat and great preparations are being made for the celebration.

The Utah game is the only other game in Denver and Saturday has been chosen as the time for the big fun. A special train will leave here during the morning and the men of the university, headed by the University band, will parade through the downtown streets upon arriving in the city. In addition a large number of townspeople will take in the celebration.

## Colorado College Coach Puts Ban on Dancing and 'Spooning'

Colorado Springs, Oct. 27.—The pretty co-eds of Colorado college are in tears over the strictness of the football coach, Claude R. Rothgeb, who has placed the ban, not only on dancing, but on "spooning," too, and creates an awful void, as they point out, in the otherwise beautiful moonlight nights. There is a protest being made after the Thanksgiving day game in Denver Coach Rothgeb will rescind his action.

Until then there is to be no more late hours, "spooning" in the library or dancing or theatre parties with the football men, which means that social life at Colorado college will be like "Hamlet" with the ghost cut out.

Although he doesn't come right out and say so, Coach Rothgeb is so sure that the defeat of the Mormons was due, in part at least, to the fact that Utah's back field attended a dance the night before, and the men were not in condition to play the game. As for dancing on the night following the game, Rothgeb says he isn't worrying about that, "as any man who puts his back to a game will be too tired to dance after it."

## LOCAL HUNTERS BACK WITH AN ELK APIECE

A party of four local sportsmen returned yesterday from the Teton basin country, Wyoming, after a two weeks' elk hunt. The party, which included four fine bucks, and had it not been for the law allowing but one elk to a man, they would have secured five. They brought back a dozen each.

In the party were Harry L. Finch, Sam Sharmar, Jack Shaffer and Claude Shaffer. "We found elk in great numbers," said Mr. Finch, "and in the district we hunted they were so thick that it did not require much hunting to bring one down. The elk were in fine condition, and unless a very hard winter comes there will be good increase in the elk in Wyoming this year."

To Sam Sharmar's rifle fell the prize buck of the winter. Sharmar took a trip over the divide into the Jackson Hole country and bagged a buck with seven points on one horn and six on the other. Some elk steak dinners are now in order.

## GIVEN DOUBLE DOSE

R. F. Carman, Horse Owner, Fined  
Twice at Pimlico.  
Baltimore, Oct. 27.—R. F. Carman, horse owner, known in the East and West as the "Pimlico" owner, was fined \$200 by the stewards at Pimlico for alleged misuse of an owner's badge. He took offense at this action and was fined an additional \$200 for using what was termed abusive and threatening language.

## HOPPE BEATS CUTLER

New York, Oct. 27.—Willie Hoppe beat Albert G. Cutler in tonight's billiard match, 300 to 102, running out in 13 innings. On this, the fourth night, the match was transferred to Brooklyn, where play will be resumed tomorrow night.

Cutler displayed the worst form of the match and is now 274 points behind Hoppe. The latter, playing 183 to Cutler's 183, was in splendid form, and especially in the eleventh inning, when he made a high run of 137, only 13 less than his record run of last night. Cutler's high run was 47. The score today: Hoppe, 1,239; Cutler, 326.

## HUMR VERY WEAK

The report from the Holy Cross hospital last night on the condition of Jack Hume was to the effect that Hume was doing as well as could be expected. He is rallying slowly from the effects of the second operation, but is very weak.

## UTAH ELEVEN OFF TO DO BATTLE WITH COLORADO 'U'

"We are not going to Boulder with the overconfidence which characterized our playing last Saturday in the first few minutes of play, but we are going with the intention of winning and every man on the team will play to the best of his ability, knowing that it is up to him to play football as he never played before. I am confident that we will win."

This statement was made by Coach Fred Bennis of the University of Utah, as he boarded the special car in which the team will travel to Denver.

A rousing rally was held on the campus, speeches being made by B. Howells, president of the student body.

President Kingsbury, Professor Lyman, Coach Bennis and Captain Home.

The men who left yesterday for Denver are: Richardson, Dez Bennis, L. Romney, O. Romney, Grant, Peterson, Riser, Price, Deane, Carmichael, Sommers, Giesman, Cayala, Home, Young, Christensen, Nielsen, Coach Fred Bennis and Manager Sneddon.

general opinion is that the horse has brought about all that he is worth at the present time, but if he establishes himself as a great sire then he is a very cheap horse.

Jack Atkin, which made his debut as a two-year-old at Louisville, incidentally culminating in that race a coup of enormous proportions, is now 6 years old, and is by Salt, out of that good race mare, El Salado. The initial effort of Jack Atkin, aside from the fact that he won and the successful culmination of the betting coup, marked the beginning of a career that for consistency and continual campaigning has never been approached on the American running turf.

## DENVER MAN BUYS THE GREAT JACK ATKIN

Pimlico, Oct. 27.—Barney Schreiber has sold his great horse, Jack Atkin, to all intents and purposes, to George H. Estabrook of Denver. Mr. McKinney, also well known in trotting horse circles, transacted the purchasing business. The only delay now is the transfer of the money. The price paid is positively \$50,000 and possibly a trifle more.

That Jack Atkin is bought for breeding purposes is almost positive, as Schreiber stated that he would not sell him if he was to be raced again. The

## CONNIE MACK TAKES UNTO HIMSELF A BRIDE

Philadelphia, Oct. 27.—Cornelius McGillicuddy (Connie Mack) was married this morning to Miss Katherine Hallahan of this city, in the Roman Catholic church of Our Lady of Holy Souls, by Rev. John Moore, the rector. Following the ceremony Mr. and Mrs. McGillicuddy went to his mother's home. The couple left later in the day for New York where they will remain until November 3, when they will sail for Genoa on the steamer Cincinnati. They will tour Italy, Switzerland, France, Ireland and England, and probably will not return to this country until January or early in February.

The victorious Athletics will be given a dinner by the officials of the Philadelphia American league club, and a big civic demonstration in their honor is to be held Friday night of next week, followed by a great banquet on Saturday night.
